

FACE Kids

a collaboration led by Catholic Charities

The FACE-Kids program provides social-emotional wellness groups for elementary, middle, and high school students.

Groups are led by community mental health professionals in partnership with student services staff at your school.

COMMON GROUPS INCLUDE:

- Social Skills
- Emotional Regulation
- Anxiety
- Grief/Loss
- Depression
- Family Change
- Self-Esteem
- Coping Skills

United Way
of Dane County

a collaboration led by Catholic Charities

is a collaboration of these community agencies:
