

There's always activity at our Adult Day Center. In March, Heartland Farm Sanctuary helped center attendees experience first-hand how animals can help nurture people through the human-animal bond. [AdultDayCenterMadison.org](http://AdultDayCenterMadison.org)

Winter didn't slow down the residents at our All Saints Senior Apartments. When an accordion player stopped by to entertain, many residents couldn't resist getting up to dance. [AllSaintsNeighborhood.org](http://AllSaintsNeighborhood.org)

Mary found a true friend in Heidi who helps her with errands, light housekeeping, meal planning and other needs so she can stay independent in her home. Mary reminisces with Heidi about trips she took with her late husband. [CCMadison.org/services/seniors](http://CCMadison.org/services/seniors)
