

Everyday Living - Supportive Living celebrated their 20th anniversary with a picnic for clients, friends, family, and staff!

Making Dreams Come True - Rock County Recreation held their 7th Annual Fashion Show where 17 models graced the stage. Volunteers helped by serving as hairstylists, make-up artists, dressers, and escorts.

Recreational Activities - With the help of 60 volunteers, Developmental Disability Counseling held their 8th Annual Kickball Tournament for kids. Family members watch and cheer on the players while volunteers help those with physical limitations get around the bases.

Empowering People with Developmental Disabilities

Sam may have special needs, but his needs are the same as everyone else's: friendship, a home, employment, and the opportunity to take part in experiences that most of us take for granted. Your support helps vulnerable kids and adults with developmental disabilities enjoy **everyday living, recreational activities**, and sometimes even **make dreams come true!**
