Dear Participants and Families,

We hope this newsletter finds you healthy and safe. We continue to follow the guidelines from the CDC and Public Health.

If any participant, any family members and/or housemate are getting tested for COVID-19, regardless if it is procedural, routine or because of symptoms we ask you to notify the day center immediately. Please keep your loved one home until test results come back & are communicated to the Adult Day Center staff. Confidentiality will be maintained. When returning to the Day Center you must be fever free for 24 hours without the use of medications and have a reduction in symptoms.

Please help us keep everyone safe and healthy and keep your loved one home if they are experiencing any illnesses. If they come in and show any symptoms we will call families and send them home.

Participants went to Burger King, Rocky's, McDonald's and Java Cat coffee shop for breakfast or lunch. They enjoyed walking at Olbrich Gardens, Cabela's, Madison's Hilldale Farmers market and walks in our neighborhood. The Dane County Humane Society brought in a snake and a bearded dragon, an Astro-physicist student did a presentation on Astronomy, music by Patricia Stone and Nick the piano player. We ended the month with a visit from the Ladybug Clown.

Students are excited to help facilitate and assist with 1:1's with participants during Bingo and craft groups. We are so thankful that our location is one of their sites.

Welcome

In August we welcomed Janet to our Caregiver team. Janet has been a CNA since 1983. Janet resides in Madison. She has 2 daughters. The oldest daughter lives in England, and youngest daughter lives in Seattle. Janet has a grandson and a granddaughter and another granddaughter due in October. Janet spends a lot of time in her flower gardens. I love to cook and bake and clean. She likes to go to the farmers market on Saturday morning and walk down state street to the union terrace. Its her happy place!

3 fun facts:

- I LOVE dachshund's!
- I love the capitol building.
- I always wanted to be a plumber

If you haven't already welcomed Janet to the team please do and introduce yourself!

Volunteers

We are excited to welcome back all the student volunteers in the month of September. Keep your eyes open and help us give a warm welcome to the following groups: Badger volunteers, UW Social Worker students, Students from course RPSE and Madison college OTA. Throughout the semester they will be helping facilitate groups, assisting in the kitchen and providing 1:1's.
