Winter Weather

Winter is here and with winter comes unpredictable road and walk-way conditions. As always, we encourage you to use your judgment when deciding if you are able to make it to the day center each day. We strive to provide you with a safe place to be. However, at times when strong winter weather strikes, we decide to close the day center. Your safety is our primary concern. In the event that the day center closes, the staff will notify each participant scheduled to attend that day by calling their primary phone number or sending a email to the primary contact. A message will be left for each participant who is unable to answer and has voicemail/answering machine. If you are wondering if the day center is open or closed, but you have not yet received a phone call, you can tune into your local TV station. **The Adult Day Center follows the Madison School District. If the Madison School District comes up on your TV screen for closures, our day center will be closed as well.** If we are open but you decide not to attend, please call Kristin Hutson at 826-8106.

December we rang in holiday cheer with music from The Accordion Lady, Lady Bug the Clown, Church choir, and Drum circle with Jim Turke. We enjoyed a special visits from Lt. Scott from the Madison Police Department and Colonel Darrel D Feucht. We enjoyed outings at Victory coffee shop, painting at Farwell gallery and Fire up pottery. We had a special visit from Travelin Tom's coffee truck. Lastly we enjoyed fun dress up days, decorated our Christmas tree, built ginger bread houses and had a visit from Santa.

Aging Services

We are excited to announce that all Catholic Charities Aging Programs main offices will now be within our day center starting January 1st. Previously Companion Care and Care Team Ministries main office was at Holy Name Heights off of High Point Road. You may have seen both Kaitlin and Melissa in our building before and now you will just see them a little more often. Please help me welcome them to our building. We look forward to being able to cross refer during intakes and allow everyone here to learn more about all aging programs.

Dear Participants and Families,

We hope this newsletter finds you healthy and safe. We continue to follow the guidelines from the CDC and Public Health. Per current guidelines if you test positive for COVID-19 you must quarantine for 5 days and be able to wear a mask if attending the day center through day 10. If you are unable to wear a mask you must stay home for the 10 days.

If any participant, any family members and/or housemate are getting tested for COVID-19, regardless if it is procedural, routine or because of symptoms we ask you to notify the day center immediately. Please keep your loved one home until test results come back & are communicated to the Adult Day Center staff. Confidentiality will be maintained.

Please help us keep everyone safe and healthy and keep your loved one home if they are experiencing any illnesses. If they come in and show any symptoms we will call families and send them home.
- The Adult Day Center Family

Reminder

If you are unable to attend the day center on any given day due to illness or other reasons please notify the day center staff and leave a message with Kristin Hutson 826-8106. Thank you!
