Flu season

We hope this newsletter finds you healthy and safe. We are coming to that time a year when illness become more prevalent. We ask for your help in keeping your loved ones home when sick to help us prevent the spread of illness.

If you test positive for COVID-19 you must quarantine for 5 days and be able to wear a mask if attending the day center through day 10. If you are unable to wear a mask you must stay home for the 10 days.

If any participant, any family members and/or housemate are getting tested for COVID-19, regardless if it is procedural, routine or because of symptoms we ask you to notify the day center immediately. Please keep your loved one home until test results come back & are communicated to the Adult Day Center staff. Confidentiality will be maintained.

Please help us keep everyone safe and healthy and keep your loved one home if they are experiencing any illnesses. If they come in and show any symptoms we will call families and send them home.

Happy Anniversary

Happy 4 year anniversary to Terri our Kitchen Coordinator. Thank you for all you do for the participants on a daily bases making each afternoon snack special. Thank you for also coming up with fun morning activities. Your dedication to our participants and your love of the kitchen shines! Please stop and say thank you and Happy Anniversary to her on December 3rd.

Winter Weather

Winter is here and with winter comes unpredictable road and walk-way conditions. As always, we encourage you to use your judgment when deciding if you are able to make it to the day center each day. We strive to provide you with a safe place to be. However, at times when strong winter weather strikes, we decide to close the day center. Your safety is our primary concern. In the event that the day center closes, the staff will notify each participant scheduled to attend that day by calling their primary phone number. A message will be left for each participant who is unable to answer and has voicemail/answering machine. If you are wondering if the day center is open or closed, but you have not yet received a phone call, you can tune into your local TV station. The Adult Day Center follows the Madison School District. If the Madison School District comes up on your TV screen for closures, our day center will be closed as well. As always if you choose not to attend for any reason please contact Kristin Hutson at 826-8106.
