Flu season

We hope this newsletter finds you healthy and safe. We are coming to that time a year when illness become more prevalent. We ask for your help in keeping your loved ones home when sick to help us prevent the spread of illness.

If you test positive for COVID-19 you must quarantine for 5 days and be able to wear a mask if attending the day center through day 10. If you are unable to wear a mask you must stay home for the 10 days.

If any participant, any family members and/or housemate are getting tested for COVID-19, regardless if it is procedural, routine or because of symptoms we ask you to notify the day center immediately. Please keep your loved one home until test results come back & are communicated to the Adult Day Center staff. Confidentiality will be maintained.

Please help us keep everyone safe and healthy and keep your loved one home if they are experiencing any illnesses. If they come in and show any symptoms we will call families and send them home.

Happy Birthday

In December we welcomed the Dane County Humane Society, Lady Bug the Clown, Jerry Fitzpatrick and Santa into the day center. We also got out and enjoyed breakfast at McDonalds, Dunkin Donuts, a visit to the Capital and Contemporary Arts museum, a drive through Olin park and down Monroe Street to see the Santa's.

Welcome

We are very excited to introduce our new staff to you who started in December. Here is a little more information about both of them!

My name is Hope, and I am very excited to be working here at Catholic Charities! I have grown up around the Day Center, so it is a joy to be back here and working alongside all the participants! A bit about myself, I am a college student who lives in Madison and am attending Madison College where I play collegiate volleyball. I plan to transfer to UW-Madison to continue my career and pursue my degree in Chemistry.

- My favorite color is pink.
- My favorite food is sushi.
- My favorite animal is dogs.

My name is Diamond and I am a 23 year old single mother of 1. My daughter is 5 years old. I have been in the field of caregiving for 5 years.

- I love writing and Reading I want to write a book about my life
- I LOVE SEAFOOD
- I'm a Capricorn
- I LOVE TikTok

Kitchen Corner

Happy 2024, the year of the Dragon! I wish you and yours a very happy, blessed, and prosperous new year!

When it comes to fruit, January is the season for **citrus**! Meyer lemons, regular lemons, limes, mandarin oranges, navel oranges, and Texas ruby red grapefruit are all abundant. Also look for blood oranges with their deep red interiors (their taste has hints of raspberry), cara navel oranges (pink inside), and super-sized pomelos (precursor of grapefruit, sweeter with thicker peels).

I want to thank all the participants who have assisted me and the day center over the years with their time and talents. You are amazing! - Cora, Cara, Rosa, Va, Dennis, Michelle, Carrie, Elroy, Linda, Don, JJ, Jennifer G, Jennifer S., Courtney, Rocky, Jeremy, Josh, Richard C, Jean B.

Take care of yourselves and each other! I will see you down the road!

By: Terri Ohmen

Terri's last day at the day center will be January 5th. Please wish her well in retirement. Thank you Terri for all you have done for the day center and the participants. You will be missed.
