Illness precautions

We have seen an uptick in participants being sick therefore please continue to follow general health and safety practices. If/when you are sick please stay home. You should stay home and away from others until at least 24 hours after both your symptoms are getting better overall, and you have not had a fever (and are not using fever-reducing medication).

Staff are taking extra precautions here and are upping our cleaning and sanitizing to help ensure safety while you are at the day center. You can help us by remembering to wash your hands and using hand sanitizing which is located throughout the day center.

Reminder

If you are unable to attend the day center on any given day due to illness or other reasons please notify the day center staff and leave a message with Kristin Hutson at 826-8106. Thank you!

We are enjoying the summer here at the day center, being blessed with nice weather, fun activities, amazing volunteers and outings in the community. Some highlights from the last month were volunteer groups Blackhawk and Love Beings Here, outings to the Farmers Markets, shopping, and making homemade lemonade.

Community Engagement

With summer finally here, we are very excited to try some new and fun community outings in the upcoming months! You can find all of our community outings plus our volunteers who are visiting us at the day center each month on our Community Engagement Calendar attached to the newsletter. With outings ramping up, we wanted to share a couple of friendly reminders:

- Some of our outings are free but we do go on some that cost money. Please be sure you have money for any outings that are not free.
- Due to the interest in our outings and staffing, we announce each outing a week prior to the outing date. We ask that anyone interested in going on an outing to please sign up **a week in advance**. We would love to accommodate last-minute requests but unfortunately cannot do so due to scheduling, etc.
- Outings are subject to change based on weather and interest in each outing.

Thank you

Thank you to Rut for spending her summer at the day center through Urban League. Rut was at the day center Tuesday, Wednesday and Thursdays. During her time here she assisted Val in the kitchen, spent time socializing with participants and helping during activities.

Rut you will be missed.
Good luck in your upcoming school year.

Volunteer Spotlight

Again this year, we were lucky enough to be one of the summer sites for the Blackhawk Church/Madison Missions volunteers! For the past 4 weeks, a group of 6-8 volunteers came to the day center to assist with activities and provide additional socialization and 1:1's for our participants.

Each group did a phenomenal job and was willing to jump right in and make each activity even more fun for our folks. We had so much fun these past 4 weeks and we can't wait to welcome them back next summer!

On Monday, July 19th, we welcomed volunteers from the Diocese of Madison program, 'Love Begins Here'. While at the day center, the volunteers helped with facilitate activities and assisted in the garden.

If you haven't heard of 'Love Begins Here', let us share some information with you:

- Love Begins Here started in June of 2009 & had 54 missionaries.
- In 2023, they had 600 missionaries.
- They have provided over 150,000 hours of services to those in need.

Thank you!

Thank you to Second Harvest, for stopping by & brightening up the Adult Day Center! On Wednesday, July 10th, Second Harvest stopped by with dozens of beautiful yellow, red, pink, and white roses.

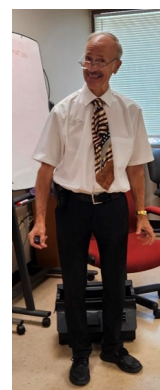

Not only did it brighten up the ADC, but it also brought smiles to our participants' faces as they were able to take some fresh flowers home with them!

Welcome Back

Please help me welcome back Pastor Paul! Pastor Paul has been a monthly staple at our Day Center for 3 years, with his first day being August 5th, 2021. While at the Day Center, he shares the Bible's good news about Jesus.

Please be sure to say hi and give him a big welcome back when he is here next in September!

Thank you to Pastor George who has been here in his absence.
