Enhancing Lives

The Enhancing Lives campaign has been a remarkable success, bringing joy and comfort to our participants at the Adult Day Center in Madison.

Shawn Carney, executive director of Catholic Charities, recently thanked donors and invited Bishop Donald J. Hying of the Diocese of Madison to bless a set of 37 new recliners and a new community outing vehicle for the ADC, both made possible through the generous contributions to the campaign.

Adult Day Center participants are thrilled with their new recliners, and the new vehicle is already greatly enhancing their ability to engage with the community.

We extend our heartfelt thanks to everyone who supported the Enhancing Lives campaign. Your generosity has truly made a difference in the lives of many
