Weather Closure

We are hoping that winter is almost over and spring is near, but there are still times winter weather may hit. As always, we encourage you to use your judgment if you are able to make it to the day center each day. We strive to provide you with a safe place to be and try to remain open. However, at times when strong winter weather strikes, we decide to close the day center. In the event that the day center closes, the staff will notify each participant scheduled to attend that day by calling their primary phone number. A message will be left for each participant who is unable to answer and has voicemail/answering machine. As always if you choose not to attend for any reason please contact Kristin Hutson at 826-8106.

Thank you!

A huge thank you to TNW Ensemble and Theater for spending the last 10 weeks at the day center. Participants enjoyed your energy, enthusiasm and creativity.

Frosty and cloudy
This short month has

It stays light later

Spring Forward

After months of early sunsets and long hours of darkness, are you ready for longer days yet? As daylight saving time approaches in a few weeks, sunset times around much of the U.S. have been getting later and later each day. On Sunday **March 9th**, we will "spring forward" into daylight saving time, as we lose an hour of sleep to accommodate for more daylight in the summer evenings.

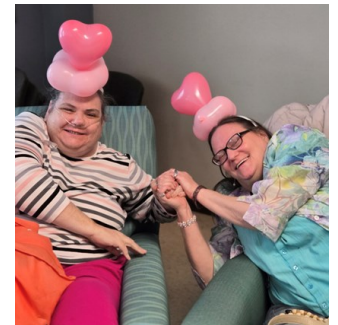

4 fun facts about day lights savings time:

1. Benjamin Franklin was half-joking when he suggested Daylight Saving Time.
2. Official credit for the Daylight Saving Time idea goes to a bug collector.
3. World War I pushed Daylight Saving Time into law.
4. Daylight Saving Time is not observed nationwide.

ADC Pictures

February brought us outings at Starbucks, Cat's Brew, Grace Coffee, East Towne Mall food court, Culvers, and Jimmy Johns. We enjoyed shopping at Atomic Antiques, Hobby Lobby and Agrace Thrift Store. While inside the day center we laughed with Lady Bug the Clown, enjoyed music with Jim, fitness with Jessica and enjoyed presentations from James, Dr Zerbian, and Bernadette from MFD.

Thank you, Trevor, for all your hard work, dedication and participant centered activities & outings that you provided throughout your 8 weeks with us!

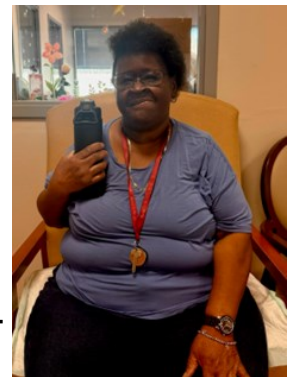

Roberta "Faye" has been a staple at the ADC since she started in 2018. From her friendly smile to her outgoing personality you will also catch Faye socializing with peers, volunteers and staff.

Throughout the day, Faye is extremely helpful! You will catch her folding and sorting laundry as well as wiping down countertops in the bathroom.

Not only is Faye helpful but she is also very motivated and engages in walking club daily!

Thank you, Faye, for all the you do! We appreciate you!!
