Welcome Max

Please welcome Max to the day center, here is a little bit about him.

Hi, my name is Maxwell Kusel, I am here from Madison Area Technical College for the Occupational Therapist Assistant program. I am here for 8 weeks (3/24/2025 to 5/26/25) learning the role of Occupational Therapy in this setting. I chose to go to school for Occupational Therapy after my dad suffered from a stroke. I was able to be a part of his therapy sessions with Occupational Therapy where I fell in love with it all. Some of my favorite things to do are going out hiking, walking my dogs or even biking when weather permits as I really enjoy the outdoors.

ADC Pictures

We enjoyed this beautiful month of March eating out at Dunkin Donuts, Taco Madre, Rocky Roccas', and Smoky Jon's. We painted pottery at Fired Up Pottery and drove through the Arboretum. While inside the day center we celebrated Ash Wednesday with Father Foley, Irish Dancers from UW Madison, and FLAME Choir.

April Theme Day!

Get ready for the coziest day of the year! Join us on Friday, April 11th for a fun-filled Pajama Party where comfort meets excitement.

Wear your favorite PJs, enjoy a root beer float and settle in for a fun day filled with games, bingo, laughter & memories, and the classic movie 'Fly Away Home'.

Patio Spring Cleaning

We need your help to get our outdoor patio ready for the season! As we prepare to welcome warmer days, we're looking for volunteers to help spruce up the space—weather it's wiping down the patio furniture, sweeping up the leaves, or just lending a hand with a bit of spring cleaning. If you're ready to get your hands a little dirty and make our patio shine, we'd love to have you join us! Together, we can create the perfect outdoor space for everyone to enjoy.

National Volunteer Month

April is National Volunteer Month, a time to celebrate the incredible impact our volunteers make each and every day.

Let's show appreciation for all the dedicated volunteers who make a lasting impression each day.

Thank You!!

In honor of Arbor Day, April 25th, enjoy these "tree"-mendous jokes.

What did the tree do when the bank closed? *It started its own branch.*

What kind of stories do giant sequoia trees tell? *Tall tales*

What weighs more, a pound of leaves or a pound of logs? *They both weigh the same—a pound.*

Why was the cat afraid of the tree? *Because of its bark.*
