Date: Thursday, May 22nd

Get ready to connect with the natural world and celebrate the abundance it offers us! Nature's Bounty Theme Day is here, and we're embracing everything earthy, green, and good for the soul.

Whether it's the crisp crunch of a fresh apple, the soothing scent of lavender, or the warm glow of sunlight filtering through the trees—Nature's Bounty reminds us to slow down and appreciate life's simple, natural pleasures.

### **What to Expect:**

Farmers' Market-Inspired Snack

DIY Nature/Garden Crafts

**Green Dress Code:** Break out your floral prints, earthy tones, and leafy accessories to show your nature pride!

### **Why It Matters:**

Nature gives freely—food, air, beauty, and peace. Nature's Bounty Day is a chance to honor those gifts, reconnect with the environment, and cultivate habits that help protect it for future generations.

## **Meet Jessica!**

Hi, I'm Jessica!

I've been leading fitness class at the Day Center for about a year now, and it's honestly the highlight of my week. I'm a certified personal trainer with a background in adapted fitness and I specialize in making exercise fun, inclusive, and something everyone can look forward to. We move, we laugh, we groove to great music—and I love taking song requests! I'm so grateful to be a part of this amazing community.

**Join Jessica & her exercise class on the 2nd & 4th Tuesday of each month!**
