## FROM OUR Executive Director

As we welcome 2026, one of my New Year's intentions is for Catholic Charities Madison to continue being a place where every neighbor is nourished—body, mind, and spirit—through compassionate programs that meet people where they are. From shared meals to food pantries and outreach across the 11-counties we serve, providing food is often the first way we extend dignity, hope, and belonging. This work is only possible because of the generosity and faithful service you offered throughout 2025, and I am deeply grateful for the love you continue to put into action. Together, may we carry this spirit of care forward, ensuring no neighbor feels forgotten in the months ahead.

Shawn Carney  
Executive Director

# Nourishing OUR NEIGHBORS

IN 2026, CATHOLIC CHARITIESMADISON'S  
FOOD BUDGET IS \$783,453.

Access to nourishing food is foundational to dignity, health, and hope—whether for our unhoused neighbors, low-income families in rural communities, older adults, persons with disabilities, or immigrant families working to build stability. Because each program and location serves unique needs, your support allows us to respond quickly and purchase the right food at the right time, ensuring culturally appropriate, accessible, and nutritious meals. This flexibility helps us meet people where they are and steward resources with care so no neighbor is left without nourishment.

## IN 2025:

- › The Beacon served more than **54,000** meals to our unhoused neighbors
- › Mobile Food Pantries impacted over **12,000** unduplicated individuals
- › The Multicultural Center provided more than **12,900** meals from our Free Meal program
- › The Adult Day Center served over **12,200** meals to our clients.

*(all numbers listed above are approximate and have not been audited)*

As we begin the year ahead, we invite you to start it with purpose by giving, volunteering, or participating in our events—

**YOUR GENEROSITY HELPS US  
CONTINUE NOURISHING OUR  
NEIGHBORS AND STRENGTHENING  
OUR COMMUNITY.**
