Perfect Pair: Connecting Generations

The day center is excited to welcome a new volunteer group called Perfect Pair to the day center. Here is a little more about them:

Who we are: Perfect Pair fosters one-on-one, intergenerational connections between older adults and college students.

What we do: Matched pairs meet for 1 hour weekly virtually and in-person. We provide supplies for pairs to re-engage in activities they love like art, discovery, physical activity, games, birthdays, and 25+ holidays across cultures and religions. Activities are ordered monthly and delivered to the pair.

Welcome

Hi, I'm Melanie and I am pursuing a career as an Occupational Therapy Assistant. I am currently in my level two fieldwork rotation with graduation in May. Being placed at Catholic Charities was so exciting for me as we come here as students during our level one fieldwork rotation. In my free time I enjoy playing with my son, reading, going to see live music, going out to brunch, and spending time with family. I look forward to my eight weeks at the ADC and learning more tools to be the best provider that I can once I graduate.

ADC Pictures

Day center participants enjoyed outings to neighborhood coffee shops, the local library, Five Below, and the art museum. At the ADC, we appreciated visits from our volunteers from Madison College and took advantage of the warmer weather with our first outdoor walks of the season.

April Entertainment Spotlight Welcome Shekinah King

Please join us in giving a warm welcome to Shekinah King, who will be performing at the Adult Day Center on **Thursday, April 30th at 10:00 AM**. This will be her first time performing with us, and we're excited to have her share her music with our participants!

According to her Facebook page, Shekinah is a talented singer, keyboardist, and 2022 MAMA Award-winning songwriter. She also proudly describes herself as a wife, mom, Christ follower, and joy chaser. We look forward to a wonderful morning of music and fellowship together.

National Volunteer Week

Our Adult Day Center is a warmer, more welcoming place because of the incredible volunteers who share their time, kindness, and talents with us. Whether helping with activities, offering conversation, or simply bringing a smile to someone's day, our volunteers make a meaningful difference for our participants and staff.

National Volunteer Week (April 19–25, 2026) is a special time to recognize the people who give their time to support others. We are grateful for the compassion, patience, and dedication our volunteers show every day.

To all of our volunteers: **thank you for being such an important part of our community!** Your presence helps create connection, joy, and support for everyone at our center.

Adult: A person who has stopped growing at both ends and is not growing in the middle.

Cattails: What kittens like hearing at bedtime.

Band-aid: A fundraiser for an orchestra

Relief: What trees do in the Spring

Dragon: What dull speeches do
