Illness Precautions

As we enter cold and flu season, here are some important reminders to help keep everyone safe:

- If you are sick, please stay home. You should remain at home and away from others until at least 24 hours after your symptoms are improving *and* you are fever-free without the use of fever-reducing medication.
- Our staff are taking extra precautions by increasing cleaning and sanitizing efforts throughout the day center to help ensure a safe environment.

Stay Well This Cold & Flu Season!

A little prevention goes a long way, wash your hands, get plenty of rest, stay hydrated, and take care of yourself to help keep those seasonal bugs at bay!

ADC Pictures

Day Center participants enjoyed a fun-filled week with community outings to Twisted Grounds, Monona's memory café and fishing at Fisherman's Park. At the ADC, we celebrated National Adult Day Service week with entertainment by Taiko Drumming, James Crockett, and Eric De Los Santos. Lastly, we welcomed Mama Megs ice cream truck and Hay There Mini Horses.

Welcome Back, College Volunteers!

We are excited to welcome back our wonderful college volunteers for another year at Catholic Charities Adult Day Center! We are grateful to have students joining us from Badger Volunteers, Madison College's Occupational Therapy Assistant (OTA) program, UW-Madison Social Work, Rehabilitation Psychology & Special Education, UW Perfect Pair, and our many returning independent volunteers from UW-Madison and surrounding colleges.

Our college volunteers bring energy, enthusiasm, and fresh perspectives to our center. Whether they are assisting with activities and outings, supporting special events, visiting with participants, or simply providing companionship, their time and presence make a meaningful difference in the lives of our participants. We are so happy to have them back!

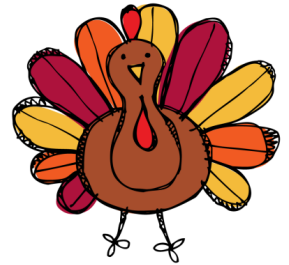

Riddle Me Autumn

I appear once in summer, twice in autumn, but never in winter or spring.
What am I?

The letter "U".

Adult Day Center Annual Thanksgiving Party

It's hard to believe Thanksgiving is just around the corner! We are excited to announce that we have officially started working with the Madison College Occupational Therapy Assistant (OTA) students to begin planning our annual Thanksgiving Party at the Adult Day Center.

This year's celebration will be held Wednesday, November 25, right here at the ADC!

Our Madison College OTA students always do such a wonderful job putting together a fun and meaningful celebration for our participants. They bring lots of creativity and enthusiasm to the planning process, and we are excited to see what they come up with this year!

The students will be working with our team in the coming weeks to plan activities, entertainment, food, and other special touches to make the day memorable for everyone.

Stay tuned for more details as the plans come.
